

MY NEW YEAR RESOLUTION

This year I'll try to...

: What are some things I could do regarding home life? Keep my room clean? Helping with household chores?

: What is a good school goal for this year? Certain grades? Something new to learn?

: What resolution can I set to help others? No fighting with my brother or sister? Raising money to help my favourite charity or sport team?

: What is one BIG goal that might be hard to achieve but is worth striving for?
